Meeting on Grange Hall

There was general consensus among the approximately 30 people attending the meeting on the Grange Hall use that it would make a good police station. This conclusion was analogous with a concern that it be done properly to preserve the historic aspect and be done at no expense to the town.

Selectman James Huntoon explained that the Board of Selectmen had become disturbed with the condition of the empty structure about the period in the Spring of 1981. The empty building had become a constant expense because of vandalism and Selectmen wanted to find a way to put it to use so that occupied it would have supervision. Huntoon said that in that period an inquiry had been made for possible rental to Chase Canvas and the Board was considering that option when Chief of Police James Moran approached the Selectmen with the idea that it become a police station. They told the Chief to draw up some plans so that they could better evaluate the conversion under the condition that it remain on the historic register.

Chief Moran said that when he took over the police force in June he foresaw a need for more room. The present quarters are extremely cramped, he stated, and it is necessary to send a cruiser to Wareham to lock up any person being held. This leaves the town unpatrolled for the time it takes for the round trip. Looking about for a solution, he said that the police thought that the Grange Hall with its Route 6 location could be the answer. The building was deteriorating, windows were being broken and bottles were being smashed on the porch and grounds. He approached the Selectmen with the idea of the change of location.

Chief Moran said that the Grange Hall has sufficient room to house the police force for a number of years. He said that he has gone over the building with Building Inspector Scott Armbruster and found it structurally sound. He has checked with Boston and found no problem with police using the building. Traffic lights, he said, could be controlled from the control center so that a flip of the switch could allow entry to the highway without traffic problems. Other advantages, he said, are the proximity to

the new elderly housing unit and the fact that one cell block can be accommodated to eliminate the Wareham trips. Moran said that police can now be accommodated on the first floor with the second floor being split into 3 areas for storage of equipment, records and evidence and a classroom. Chief Moran said that the police do not intend to solicit tax money for the conversion but will undertake the fund-raising as a police project.

Building Inspector Scott Armbruster stated that the structure of the building is in excellent condition. He said that the main beam was checked rather than cracked. Mr. Huntoon said that the late Jonathan DePina had also looked the building over and okayed the structure.

Chief Moran, in answer to questions, said that a new heating system and complete new electrical wiring would be needed. He said that a proposed 2 stall garage on the east side of the building would require a variance from the Board of Appeals but would not be vital to the project. He said that the ambulance could still be garaged in the present Town Hall location. He said the Grange's two floors are a total of 2800 square feet; the 1440 square feet of the first floor being greater than the 1077 square feet of the present station. The present station, he said, was wanted

Selectman Huntoon said that an architect would draw plans, then these plans would be presented to the town for consideration. The question was asked, "The town has never raised this sum of money (estimated $100,000 to $140,000). How do you raise that amount?"

Selectman Huntoon answered that a trust will be set up. He said he believes that it would attract a flow of $25. to $500 donations that would be tax deductible. An alternative was suggested from the floor. It was stated that there is a tax break for private owners of historic buildings consisting of a 25% deduction off federal income taxes. It was suggested that this would provide incentive for private ownership who would fix the building. It was pointed out that the cost to maintain the building would continue. It was advanced that if the town cannot afford to maintain the building, then it might be preferable that it be sold into private ownership with the money to keep it up.

Lt. James Santos said that the police would have liked nothing better than to have located in the police/fire complex previously sought. However, he thought that there is no chance of getting federal funds now. He said that the present station is totally cramped with police being the largest full time town department. Mr. Santos said that anything that the police put into the Grange building is reversible and can be moved out. He said that he considered the location to be excellent for a police station.

Selectman Huntoon attempted to obtain a sense of the meeting. No one opposed the general idea of the Grange location for the

police but approval appeared to be tempered by the many factors involved that remain to be solved.

Selectmen's Meeting

EXCEPTION DENIED

Selectmen were asked by Maurice F. Downey, through his attorney, Edward Harrington, to grant a variance to allow his gutter pipes to remain hooked to the sewer system. Selectmen told Mr. Downey that they are unable to do so because of the requirements of the State license and because every gallon of water that goes into the sewer collection system is metered, treated and paid for by Mattapoisett. Mr. Downey said that he had estimates from plumbers in the amount of $4,000 for the removal of the gutter pipes and piping to the water. Selectmen suggested that there are far less expensive ways to solve the problem. They agreed that Mr. Downey could wait for warmer temperature before beginning the work. They said that they would locate and forward to Mr. Downey a copy of the State license which prohibits the introduction of storm drain water into the sewer system.

FOSTER STREET QUERY

In a letter, James E. Hackett advised that his intentions when requesting Selectmen investigate the ownership of waterfront property at the end of Foster Street were to protect public property interests and feels his request is in the public interest. He hopes property owners will not take his request personally.

In regard to the Foster Street property a letter was received from Prentiss C. Higgins

Wizards vs ORRfuls

HARLEM WIZARDS AT ORR

Marques Haynes, dribbler extraordinaire, leads the Harlem Wizards into Old Rochester Tuesday, February 16, for a fun-filled contest with a rag-bag collection of local hardwood heroes known as the ORRful-ORRfuls. "Bring on the Wizards", challenges player coach Ed Walsh of the ORR JHS faculty, "we're ready!"

It's doubtful whether the ORRful-ORRfuls will be able to cope with the round-ball artistry of the Wizards who have been on the road now for nearly 20 years. Not only do they have the redoubtable Haynes, but the rest of the their cast comes with highly impressive credentials.

There's Spencer Johnson, the Wizards' "small oak", all 5'4" of him. A native of Maryland, he attained All-American status. There is also Jerry Abernathy. The most well traveled of the Wizards, Abernathy at 6'10" blocks shots and rebounds with the very best. Valentino Willis puts the Wiz into the Wizards. He is the team's self-pro-

"Moby Dick" is the Wednesday movie February 10 being shown at 3 and 7 p.m. in the lower level of the Mattapoisett Library.

The last film of our winter series is "Beat the Devil", a satire on international thieves with a fine touch of comedy as incompetent crooks attempt to doublecross and outwit each other. Considered ahead of its time when released, it has since become a comedy classic. The stars are Humphrey Bogart, Gina Lollobrigida, Jennifer Jones, Robert Morley and Peter Lorre. This 90-minute 1954 film begins at 3 in the afternoon and again at 7 p.m. February 17th.

ROCHESTER JUNIOR TROOP 82

The girls in Troop 83 have finished Tending Toddlers and are now working on the Wildlife badge. They are now planning a trip to the Buttonwood Park Zoo.

Mary Ellen Bernier of Ashland Stables will be working with the girls on the Horse Lover badge.

On February 28th Troop 82 will go to Jonathan's Sprouts for a tour and to plant sprout gardens. They will return on March 4th to harvest their crops.

Brownie Activities

ROCHESTER BROWNIE TROOP 71

On February 3rd Rochester Brownie Troop 71 held its investiture. After the girls did "Twist Me, Turn Me" and looked into the mirror pond they received their Brownie pins.

Brownies Elizabeth Ashley, Christy Nightlinger, Cheryl Pinto, Deanne Davis and Sheryl Herman welcomed new Brownies Sarah Baldwin, Gina Botelho, Rachel Davis, Christine James, Sara Lynch, Christine Marvill, Jennifer Merusi, Kristen Reed, and Kristen Rokowski.

Leader Anne Ashley presented pins to Assistant Leagers Verna Reed and Carol Baldwin. Refreshments were served to Brownie parents.

PARENT AWARENESS DRUG PROGRAM

The Ladies Auxiliary to the Fort Phoenix Post 2892, Veterans of Foreign Wars will hold a parent awareness program February 15th at 7:30 p.m. in the post home at 126 Main Street, Street, Fairhaven. Mattapoisett and Fairhaven Police Departments have offered the services of highly trained officers Kenneth Pacheco, Mattapoisett Police Department; and Armond Becotte, Fairhaven Police Department, to conduct the program.

Drug abuse has become a serious problem with our young people. This program is designed to help parents to recognize the signs in the event that their children should try to experiment and also to enlighten parents faced with the problem now.

Along with the lecture, you will be permitted to see, touch and smell the culprit that could destroy your youngster's future.

Refreshments will be served. Officers Pacheco and Becotte will be available to help with any problems you may have regarding this subject.

Old Hammondtown School

Last Monday fourth grade students from Old Hammondtown School visited the Plymouth-Carver Intermediate School Planetarium.

A special planetarium projector showed pictures of the sky on the dome, similar to the way motion picture projectors show pictures on a movie screen. The projection of the stars, sun, moon and planets on the dome created an artificial sky. When the room was darkened and the dome was illuminated, it was easy to imagine that we were looking at a real night sky. We saw how the stars looked to people thousands of years ago, with imaginary figures outlined among the constellations.

The whole projector spun around making the stars move on the dome from east to west. The stars seemed to travel across the sky as the earth turns on its axis. By

JERRIME OLIVER AND DR. RUSSELL BLAKE DEMONSTRATE EFFECTS OF WEIGHTLESSNESS FOR 4th GRADE STUDENTS.

The changing phases of the moon were also shown moving among the stars, along with the effects of sunrise and sunset.

Dr. Russell Blake, narrator, talked to the students about total and partial eclipses, gravitational pull and weightlessness in outer space. He demonstrated the effects of weightlessness on the space traveler with the help of Jerrime Oliver, a student in Liz Lynch's class. Dr. Blake also discussed the importance of continuing our exploration of the moon. He closed his presentation by informing the students that the Future's Club is trying raise $3 1/3 million from the private sector to erect a space station on the moon by 1990.

55 (Marion, Mattapoisett and Rochester) has announced that Project LIFT, Union 55's Title IVC Grant for gifted and talented, was validated as an exemplary program in the state of Massachusetts. The validation visit took place on January 26, 1982.

As a result of this process, Project LIFT is now listed as one of the Massachusetts validated projects for adoption in the ESEA Title IVC booklet published by the Massachusetts Department of Education. Validation is a process by which a school system demonstrates through the collection and presentation of significant evidence to an impartial panel that the program it has implemented is worthy of being recommended to other school systems for adoption. A comprehensive evaluation process was conducted by professional evaluators outside of the school system. Results showed that fifth and sixth grade students in the three towns made significant gains in their ability to think at higher levels as measured by the Ross Test of Higher Cognitive Processes and to apply these advanced skills to independent research as measured by a panel rating of Processes and Products.

Project LIFT will receive additional State funding in 1982-83 (approximately 75% of original funding, or $33,000) to continue to develop the program locally and to assist

other school systems in adopting our program for use in their districts.

Project LIFT started in the fall of 1979 in the 5th grade in the Old Hammondtown School in Mattapoisett, the Memorial School in Rochester and the Sippican School in Marion. In 1980 it expanded to the 6th grade in each of those schools, and in 1981 to the 4th grade.

Project LIFT provides a structure and framework through which educational excellence can be pursued. By being aware of each child's learning style and potential and by building upon the strengths of teachers, LIFT creates an environment which stimulates enthusiasm for learning and encourages individual initiative. Opportunities are designed to enable teachers to enrich the regular classroom experience through integration of higher-level thinking and advanced research processes with basic curriculum. By remaining in the mainstream of a regular classroom, high-ability children are provided with consistency of approach while all children benefit from being challenged to think and produce at the highest level possible.

Since its inception in 1979, the program has been coordinated by Becky Smith Tamlyn. Superintendency Union Chairman Kay Reis of Marion, in response to news of the evaluation, said: "We are very pleased with the job that Becky Tamlyn has done coordinating staff efforts, and happy to see their hard work rewarded by validation." Mrs. Tamlyn and staff members made program presentations at the following conferences: The National Association for Gifted Children Conference in Minneapolis, Minnesota, 1980; The National Associ-

Rochester Youth Hockey

A full slate of games was played over the weekend of February 6th with Rochester teams having a rough time with only one win, five losses and one tie.

In Mite play, Rochester's RAC Services lost a close one to Wareham 3-2. Josh Hedges played well in net. The goals were scored by Mark Hendriques (2) from Scott Gordon and Jason Medeiros.

In the Squirt B Division, Rochester's Campinos lost to Nauset 10-2 and tied Harwich 3-3. Chad Vincent was in net for both games. Goals in the Nauset game were scored by Jeff Lawrence (2) from Dean Vincent and Steve Estrella. Against Harwich, the goal scorers were Steve Estrella from Sean Shaw, Carico from C.J. Hedges, and Sean Shaw from Carico.

In Squirt C competition, Coach Eric Jensen's squirts lost 3-0 to Harwich and won

THANKSGIVING NOVENA TO ST. JUDE

Oh Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known, and cause you to be involved. Say three Our Fathers, three Hail Marys and Glories for 9 consecutive days. Publication must be promised. St. Jude pray for us all who invoke your aid. Amen. This Novena has never been known to fail. I have had my request granted. Publication promised.

The Elizabeth Islands

WESTPORT HISTORICAL SOCIETY POSTPONED PROGRAM

Due to the snowstorm of January 13, Gerritt Sanford's lecture on the Elizabeth Islands was canceled. Mr. Sanford, sponsored by the Westport Historical Society, will once again attempt to better acquaint us with these gems of Buzzards Bay with an illustrated talk entitled "The Elizabeth Islands". The lecture will be held at 8:00 p.m. on Wednesday, February 17th, in the Pacific Union Congregational Church, 526 Old County Road, Westport.

Gerritt Sanford knows his subject well, having been an active yachting enthusiast for many years, holding offices in several southern New England yacht clubs. He is currently a member of the New Bedford Yacht Club and secretary and past president of the Marine Museum at Fall River. His yachting interests also include building and restoring wooden boats, as well as racing fiberglass boats.

TRU-TEST PAINTS
PAINTING HELP SPOKEN HERE.
BY Bonnie Blaire
TRU-TEST COLOR CONSULTANT

Dear Bonnie:

Why does the paint, that I chose so carefully to match my carpet sample, look dark and heavy now that it's painted on the wall?

Signed Disappointed

Dear Disappointed:

Yours is a case of "over matching." Often the best answer is **not** an exact match. Rather try to choose a color that, when painted on the wall, **seems** to match the carpet. To find this color, hold your carpet sample directly under the light in the Tru-Test Custom Color Selector. Then view your paint sample in the wall position (at right angles to the carpet). You will see that it takes a color several shades lighter than the carpet to match it in this position.

Any color will appear lighter or darker according to how much or how little light it reflects. Your floor reflects more light than any other plane in the room. Walls reflect much less light (the ceiling least of all). So to make your wall color seem to match your floor choose a light color.

Tabor Sports

VARSITY BASKETBALL

Tabor Academy's basketball team lost to Amherst College J.V. 73 to 56 in a game at Amherst on February 4th. It was a close defensive first half with Tabor trailing by nine at half-time but very much in the game. In the second half, Amherst's superior depth, experience and size enabled them to pull away. The main bright spot of the game was the play of Chris Hampson of Marion, an improving Sophomore.

J.V. BASKETBALL

Tabor's J.V.'s lost to Loomis on January 30 in Windsor, Conn. by a score of 47 to 38. Tabor played well in the first half, but failed to make the shots and were losing by 11 at half-time. Tabor came out fired up in the second half and cut the lead to 2 points. The full court zone press and offense against their man-to-man defense were executed well and got us back into the game. Eric Strand of Marion and Bill White played exceptionally well. The Coach commented, "we lost, but we showed a vast improvement over our first 3 games. We should continue to improve and we will win a game soon."

GIRLS' BASKETBALL

Tabor Girls' basketball team won 13 to 12 over Pomfret in a game at Pomfret February

3rd. We started slowly, but Tabor's press in the second half got us back into the game. The score was tied 12-12 but an overtime foul shot by Lisa Covill gave Tabor the game. Lisa of Mattapoisett got 5 points in the game. Julie Hannon of Sandwich, Kristine Flynn, Nina Beresford and Betsy Burrell of Marion were notable for their aggressive defense.

VARSITY RIFLERY

Tabor 1007 and Providence College 895 was the score in a match in Providence on January 29th.

Tabor 2049 and M.I.T. Varsity 1985 was the score in a match in Cambridge on February 3rd. Captain Arthur Kandarian led the Tabor Falcons to an excellent victory over a very strong MIT team. The coach commented: "a great win, but the return match will be a real test!"

GYMNASTICS

Tabor, 56.0 against opponents Nantucket 77.7 and Thayer 71.7 in meet on February 3rd at Tabor. Tabor's tiny team of seven gymnasts competed in a great effort with two much larger teams. The coach's comments: It takes a lot of courage to compete against larger and more experienced teams - our girls have a lot of it!

on February 3rd. The Middler Hockey team resumed their winning ways by catching the St. George's J.V. off guard with five goals in the first period. They went on to win 11-1 with scoring shared by seven different players.

J.V. HOCKEY

Tabor's J.V. hockey team defeated Canton High School 5 to 1 in a game at Tabor on February 1st. Canton scored 16 seconds into the contest on a defensive miscue by Tabor. After that, Tabor dominated play, outshooting their opponents by a 35-13 margin. The coach's comments: "Our opponents took several bad penalties in the second period which allowed us to take command and score two power-play goals."

In a game on January 30 at Tabor with Mt. Herman the J.V. hockey team lost 5 to 2. Mt. Hermon led 3-1 after two periods. The first period was even with close checking and fast skating. Mt. Hermon dominated play in the second period as Tabor managed only 5 shots on net. Our opponents were bigger, stronger and much more physical. In the third period, Tabor and Mt. Hermon exchanged goals before Mt. Hermon scored an empty-net goal in the final seconds. The coach's comment: "We took a few bad penalties, had some unfortunate calls, but primarily we stopped hitting them and became intimidated."

VARSITY HOCKEY

Tabor defeated Moses Brown 5 to 3 in a varsity hockey game at Tabor on February 2nd. Tabor outshot Moses Brown 35-15 in a clean, hard fought game.

In a game against Mt. Hermon at Tabor on January 30th the Tabor varsity hockey team won 6 to 3. Tabor broke the game open with 2 power play goals late in the second period and another with 47 seconds left in the period. The coach's comments: "It was the best game of the season for Tabor. We put together 3 strong periods and outshot Mt. Hermon 39-18."

The seminar introduces computer-system concepts, peripherals, and memory principles; emphasizes fundamentals necessary to the computer field; and serves as prerequisite for all higher-level training.

"To survive in today's fast-changing world requires a familiarity with computers," said Clyde Mitchell, coordinator for the center. "And Digital has designed quality into this course, as its past popularity indicates."

The fee for the course includes registration and workbooks.

For further information, call Clyde Mitchell at the center's office at 994-9401.

Good Eating for Seniors

R.E.N.P. WELLNESS CORNER

For guidance in dealing with dietary changes and difficulties that develop as people grow older, the Blue Cross and Blue Shield Association has put together a comprehensive guide called "Good Eating: An Older Consumers Guide to a Healthful Diet on a Low Budget".

Author Dr. S. Jane Goodman, a nutritionist and biochemist experienced in nutrition education and diet therapy for the elderly, plugs a good breakfast, saying it's especially important as people grow older. She also plugs Thiamine: one attribute of Thiamine she says is that it promotes a sunny disposition! It is found in whole grain, cereal and breads.

"Good Eating: An Older Consumers Guide to a Healthful Diet on a Low Budget" is available from the Consumer Affairs Department, Blue Cross/Blue Shield Association, 1700 Pennsylvania Avenue, N.W., Washington, D.C. 20006 ($1.00 for postage and handling).

Volleyball Marathon

Century 21 has announced that it will be sponsoring a Volleyball Marathon for the benefit of the Massachusetts Easter Seal Society on Saturday, February 27th, from 7:00 p.m. to midnight at the Dartmouth Indoor Tennis Club on State Road, Route 6 in North Dartmouth to raise money for handicapped children and adults in the Commonwealth. WBSM will provide extensive radio promotion of the event. The local Century 21 broker in the area who will be helping is Bob Carey and his staff from Century 21 Hughes & Carey Realty.

The Century 21 Easter Seal Volleyball Marathon is open to teams from businesses, corporations, schools, clubs and leagues. Teams with like ability will be matched in the event, with coed, men's and women's

teams competing against each other for trophies in a two-hour match, during which each team will play three others.

Century 21 is providing an opportunity for teams from different towns and leagues to play in a recreational setting to raise funds for Easter Seal programs in Massachusetts. The Easter Seal Society carries out a variety of programs and services to assist handicapped children and adults in the Commonwealth. Included among the services are physical, occupational and speech therapy, camping, community swim programs, stroke clubs, as well as programs to promote awareness and accessibility.

A minimum registration fee for each team will be asked to enter the Marathon, for which the team will compete for trophies sponsored by Century 21. Additional incentives for those teams who raise more money above the registration fee include T-shirts, tube sox, running shorts, and more. The top money raising team will receive a team dinner at White's Restaurant in Westport and the top money raising individual will receive a trip for two to Montreal, courtesy of Copley Travel Service of Boston. In addition, the top money raiser will appear on the National Easter Seal Telethon, hosted by Pat Boone, on March 27th and 28th on Channel 25, WXNE-TV.

The Century 21 Easter Seal Volleyball Marathon will be held on Saturday, February 27th, at the Dartmouth Indoor Tennis Club from 7:00 p.m. to midnight. To receive information and a registration form contact your local Easter Seal Office at 676-1089.

MORTGAGEE'S SALE OF REAL ESTATE

Pursuant to and in execution of the power of sale contained in a certain mortgage of real estate given by Louis T. Broderick to Rockland Trust Company dated December 14, 1979 and recorded with the Plymouth County Registry of Deeds in Book 4770 Page 382 of which the undersigned is the present holder for breach of the conditions of said mortgage and for the purposes for foreclosing, the same will be sold at public auction at Mattapoisett Neck Road in Mattapoisett, Plymouth County, Massachusetts (being the same premises described in said mortgage) on Friday, the nineteenth day of February 1982 at 11 a.m. all and singular, the premises described in said mortgage, to wit:

The land in Mattapoisett, Plymouth County, Massachusetts, located on the westerly side of the East Road on Mattapoisett Neck, bounded and described as follows:

Beginning on the Westerly side of said road by land formerly of the heirs of Benjamin Hammond;

Thence by the Westerly side of the road Southerly to LeBaron meadow formerly of Hiram M. Hammond;

Thence Westerly in line of ditch between said Hammond's land and land now being described to land now or formerly of E. Howland; and

Thence by last named land and by land of the heirs of Benjamin Hammond and land formerly of Abraham Tinkham to the first bound.

Containing eleven (11) acres of marsh and upland.

Together with all rights, privileges and easements connected therewith and subject to restrictions and easements of record and are hereby conveyed subject to any building and zoning law requirements which may be in force and applicable.

The premises above-described are conveyed subject to a taking for the relocation of Mattapoisett Neck Road by instrument dated June 12, 1956 and recorded with Plymouth County Registry of Deeds Book 2503 Page 306.

There is exempted from the above-described parcel, Lots 1, 2, 3, 5, 6 and 7 as shown on a plan entitled "Plan of Land, Mattapoisett Neck Road, Mattapoisett, Mass." dated November 22, 1971, recorded with the Plymouth County Registry of Deeds in Plan Book 16 Page 481 to which plan reference is hereby made for more particular description.

For my title see deed of Alice E. Lakouisky, dated March 15, 1971 recorded with Plymouth Deeds Book 3657 Page 505.

Also see deed of the Mount Vernon Cooperative Bank dated March 11, 1975 recorded with Plymouth Deeds Book 4052 Page 42.

TERMS OF SALE:

The premises will be sold subject to all unpaid municipal taxes, tax titles and municipal liens. A deposit of Five Thousand Dollars in cash or certified or a Treasurer's or Cashier's Check of a Bank or Trust Company authorized to carry on business in the Commonwealth of Massachusetts will be required of the purchaser at the time and place of the sale. The balance is to be paid in cash or by certified check within twenty days thereafter to be deposited in escrow with the firm of Geogan & Geogan pending approval of said sale by the Superior Court for the County of Plymouth. Other terms if any to be announced at the sale..
